LAS VEGAS -- [Generation Next Franchise Brands](#) Inc. unveiled its frozen yogurt and ice cream vending machine at this week's [CinemaCon](#) 2018 trade show here. CinemaCon gives movie theater owners from across the globe an opportunity to experience the latest technology and advancements in the motion picture industry.

Generation Next's machines serve seven flavors of frozen yogurt, ice cream, gelato or sorbet, with a choice of up to six toppings, all created in 60 seconds and delivered by a multi-axis robotic arm.
